

The Sycamore Suite

With an abundance of natural daylight and a neutral decor, The Sycamore Suite offers a breath of fresh air for company meetings and away days in an uplifting and secluded setting, or a blank canvas for product focused events.

Stylishly converted from the original stable block, The Sycamore Suite is a modern event space offering a reception and registration area leading around into the main event room which opens onto a patio, overlooking the picturesque garden and house.

The room also contains a private W/C & cloakroom, and a tended bar can be available. The maximum seated capacity for meetings is 130 delegates, and 150 for a standing event.

The Oak Suite

The Oak Suite in the main house is characterful in style, in-keeping with the beautiful period features of the venue. This private event space comprises of The Foyer & Lounge, Walnut Room, Oak Room & Conservatory and a sheltered garden patio with views across the beautifully manicured garden.

The entire suite can be hired, or you can hire meeting rooms separately. For smaller board meetings of 12 delegates the Walnut Room is ideal, and for larger meetings of up to 50 the Oak Room offers a spacious meeting room, with additional syndicate rooms available.
